Tuesday, July 12, 2022

12:30 – 1:30 p.m.

Batesville Christian Church

1294 Columbus Ave, Batesville, IN 47006

Life is full of transitions. Starting school, switching buildings, preparing for adulthood, entering the workforce, living independently, having relationships, and eventually retiring ... life is always changing. It can be overwhelming to think about it all!

While we can't plan for everything, making a plan, including Charting the LifeCourse, will better prepare you to achieve your vision of a good life.

Join The Arc of Indiana and One Community One Family to discuss how to make plans for the future and how to adjust those plans as life experiences and desire change.

The combined strength of The Arc at the local, state and national level makes The Arc the largest national community-based organization advocating for and serving people with intellectual and developmental disabilities and their families.
