

Lids Supports The Arc

About Our Partnership

The Lids Foundation and The Arc share a vision of a world in which people with disabilities have the resources needed to lead active, healthy lives on their own terms.

In August, we're working together with Lids—in stores nationwide—to tell the story of The Arc and our mission!

How to Participate

Throughout August, buy a hat or other merchandise at a Lids store, and round up to the nearest dollar at the register. Your donation will go to The Arc.

Get a hat with The Arc's logo! You can get our logo custom embroidered on any Lids hat—and \$7 from your purchase will go straight to our mission.
